AlienVault OTX	No data / Error	N/A
Shodan	No data available	N/A

AI ANALYSIS & REASONING

This domain, `bigbins.rebirth.st`, is assessed as malicious with high confidence. The primary evidence is the VirusTotal report indicating 15 out of 91 security vendors have flagged it, a significant consensus among threat intelligence engines. Therefore, the recommended action is to immediately block this domain at the network perimeter (e.g., DNS, firewall, proxy) and investigate any internal logs for attempted access to identify potential compromise.
